## STEM EDUCATOR (FULL TIME / PART TIME / INTERNSHIP)

### About Us

Founded in 2008, Nullspace is a leading robotics training agency in Singapore, providing quality training and consultation services for Singapore schools and educational institutions. We also operate two state-of-the-art private enrichment centres - Nullspace Centre for Robotics Learning (C4RL), located at Buona Vista (C4RL-WEST) and Siglap (C4RL-EAST).

### Role and Responsibilities

As a Nullspace STEM Educator, you are part of a high performing team that is responsible for delivering robotics and coding training and working with teachers to ensure that learning goals are met. You will be responsible for developing and updating lesson material and constantly testing new platforms for use in the classroom.

- Deliver robotics and coding programmes in schools and at our enrichment centres.
- Lead and train school robotics CCA teams for competitions.
- Develop and update lesson material periodically.
- Test out new learning platforms and software for training.

### Qualifications

We are looking for a driven, independent problem solver who thrives under challenges

- Diploma in engineering fields preferred.
- Experience in competitive LEGO Robotics.
- Experience with Arduino or other microcontrollers.
- Fabrication skills and working knowledge of laser cutters and 3D printers.
- Experience with Python or other object-oriented programming languages will be advantageous.

### Application

Interested applicants can email us at [hr@nullspace.com.sg](mailto:hr@nullspace.com.sg) with the following information:

- Resume
- Cover Letter
- For Interns: internship availability period
